MEMORANDUM

Date November 29, 1978

To Elizabeth L. Scull, President, County Council
From James P. Gleason, County Executive
Subject Bill No. 37-78 - Cost of Living Adjustments

I am returning Bill 37-78 without my signature.

I have previously expressed my feelings to you in detail and continue to believe that this legislation is a failure on the part of the Council to honor a long standing commitment to the employees of the County Government.

It is best that the final resolution of this issue be handled by the new administration.
